Double Ring Ceremony Units Penny Ford and John Rackler

Penny Sue Ford became the bride of John William Rackler Saturday, at 6 p. m. in the chapel of First Baptist Church.

The double ring ceremony was read by the pastor, Rev. Byron Bryant.

Parents of the couple are Mr. and Mrs. H. L. Ford, Rt. 1, Hamlin and Mr. and Mrs. J. D. Rackler of Anton.

Wedding music was by Miss Carol Joe Simpson, pianist, and Terry Church of Lubbock, soloist.

Given in marriage by her father, the bride wore a gown of white brocade satin fashioned with empire waistline, round neckline, long fitted sleeves, and a chapel train. Her fingertip veil fell from a pearl crown. She carried a white orchid bouquet.

Nancy Ford, sister of the bride, was maid of honor. She wore a street length dress of yellow brocade satin designed with scooped neckline and A-line skirt. She carried a single long stemmed yellow rosebud.

Terry Church of Lubbock was best man.

Ushers were Ronnie Riek of Abilene, and Joe F. Ford, brother of the bride.

Candles were lighted by Diane Ford, sister of the bride, and Steve Rackler of Anton, brother of the bridegroom.

The reception was in Fellowship Hall. Members of the houseparty were Carolyn Henderson, Micki Douglas, Mmes. Harold Johnson, Joe F. Ford, and Kenneth Douglas.

The couple is living at Spanish Arms (Apt. 115) North Sixth in Abilene where she is employed at the First National Bank and he is employed with Universal C. I. T. The bride is a graduate of Hamlin High School.

Rackler graduated from Smyer High School and attended Lubbock Christian College, West Texas State University, Canyon, and the University of Maryland.

Boy, this place is quiet! Without the seniors around, things are not the same. The seniors left Tuesday morning for a fun and educational tour of Texas. They boarded two chartered buses at the high school and left at noon. They will return sometime Saturday afternoon or evening.

Members of the faculty are saying the seniors are "John D. Ferguson, Mrs. J. B. Jayroe, Mr. Milburn Wink, Mr. Harold Williams and Principal B. V. Newberry. Parents making the trip are Dr. and Mrs. M. L. Smith, Mrs. B. O. Bell, Mrs. Delbert Rountree and Mrs. Don Comp-ton.

The band elected future officers Tuesday. Those selected were John Osbourn, president; Randy Smith, vice president; Pam Holtz, secretary; Vicki Newland, reporter. Mr. Jones told the officers that an organization can only be as strong as its leaders. All hope that the next year will be as enjoyable and successful as this year and more.

If a few groans are heard from the athletic girls, it may be because basketball spring training is beginning. Many muscles are being put into use after a few months of no exercise.

Tuesday, the seventh period tennis players were sweeping off the last traces of water after the long rainy spell. It is good to see the court again. It has been a long time.

Congratulations to the girls track team for doing so well at regional. Good Luck at State!

It was announced last Tuesday at the morning devotional that Joy Bond and Revonna Kay Robertson will be in charge of the weekly devotions next year.

One of the main end-of-schools events was the distribution of the '66 Piper Monday afternoon. All agreed that the outstanding edition was worth the long wait. The annual staff should be very

proud of the annual. They did a great job. Through pictures of activities, organizations and classes, the annual showed ways that Hamlin students are becoming physically, emotionally, and mentally prepared for the future.

IN NEED OF Specialized HELP

The car's acting up... sometimes he can repair minor problems himself... but this time it looks like it may require the work of a specialist. To correct this problem he needs a mechanic, someone who has the knowledge and equipment for this particular work.

In spiritual matters, individual worship is necessary and vital to one's life, but God in his wisdom has said that we need to worship with others too. At church we can receive help from those who have dedicated their lives to special service for God.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedom which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Lueders Baptist Encampment Sets Senior Bible Camp

Something new and different in camping is being planned for May 12-14 at the Lueders Baptist Encampment. This camp is especially for people fifty years of age and up, particularly those who in the past have planned, promoted, and participated in the various camps held there each summer by the eight Baptist Associations supporting the encampment.

The camp preacher will be P. D. O'Brien, well known in this West Texas Area as pastor and evangelist, who is retired now and lives in Houston.

Leading the singing for the camp will be Joe Trussell, who for more than thirty years has been prominent among Texas and Southern Baptists as one of the great evangelistic singers.

Mrs. Fay Grant of the Social Security office in Abilene will be one of the featured speakers during the Camp. Bible teachers will be the Robert Holts of Abilene. He is the Area Missionary for Abilene-Callahan Baptist Area.

FAIRVIEW NEWS...

Mrs. Elmer Joiner
So much rain has fallen the past two weeks that it is hard to keep up with, but seven or eight inches have fallen in all. The rains have been general, everyone has had a good rain, in fact, the sun hasn't shone in four days. Sunday looked and felt like a winter day, coats and fires were the most popular items and it was the first day of May. At least the farmers can begin a crop with a good bottom season, won't take so much rain to make a crop this year.

Owing to the bad weather, the attendance was rather small both times Sunday, but we had two good services just the same. Is so good to have a pastor again after such a long time without one. Rev. and Mrs. Babb took dinner Sunday with the Fred Rosenbaums, doing some visiting Sunday afternoon.

Wedding bells rang out in our community Saturday evening. Penny Ford, daughter of Mr. and Mrs. H. L. Ford, and John Rackler, son of Mr. and Mrs. J. D. Rackler, of Anton, were United in marriage in the chapel of the First Baptist Church of Hamlin. They will live at Spanish Arms Apt. 115, North 6th in Abilene where she is employed at First National Bank and he is employed with Universal C. I. T.

The tri-church W. M. U. met last Wednesday morning in the home of Mrs. E. E. Hagler, with eleven women present, one of them being a new member. A good program on Family Witnessing was given. Four members were from Neinda, six from Fairview and one from Hanna. Mrs. R. M. Babb, wife of the new Fairview pastor, coming as a new member. She has been very active in the W. M. U. work in Fisher county and we welcome her to our group. The next meeting will be May 11th, when the Brotherhood, W. M. U., as well as the youth groups, will meet with the Hanna Church, at seven p. m.

Mr. and Mrs. Elmer Joiner took off in the rain early Thursday morning, for the lakeside at Breckenridge, to

spend the day with friends, Mr. and Mrs. Roy Taylor, of Muleshoe, who have a cabin on the lake at that place. Didn't get to see much of the lake since it rained all day and had to stay inside, however the Hubbard Creek Lake is getting bigger and bigger. The Taylors are friends of almost forty years standing and we were so sorry to find her in poor health, following a heart attack, which happened on Mothers Day of last year.

Melinda Wright came home with her grandparents, Saturday, to spend the weekend and attend the wedding Saturday night. She was also in church Sunday morning with Grandmother Holmes. She had an exciting experience Sunday, having broken a tooth, opening a bottle of paste in Sunday School, and had to go to the dentist that afternoon and have it pulled.

Sunday was the day for the family reunion at Seymour, that Mr. and Mrs. Henry attended every year. Since they have it in the park under open shelter, the rain and cold weather was too bad to have it. Mrs. Leonard Branch, of Aspermont, who is a niece of Mrs. Henry, invited her mother and her other two sisters, to spend the day with her. Besides Mrs. Henry the other ones are Mrs. Obie Wright, Rotan, and Mrs. Stuart, of Aspermont.

Mr. and Mrs. Willard Herington and sons were Sunday guests of her parents, Mr. and Mrs. Joe Ford.

Mr. and Mrs. Jimmy Joiner took supper with his parents Saturday night. Jimmy is centering over near Rotan and got rained out Saturday, for the first time all week. Although it had rained all week over there they managed to fine something to do, but owing to the wind and hard rain Saturday, they had to quit. The rains are always good for some folks and hard on others, but without them none of us would have any work to do, for our whole economy depends on if we receive rain or not, this being a farming country.

The home of Mr. and Mrs. Madgean Rainwater, who lived at Radium, was gutted by fire Saturday. The family was not at home, being gone to California, returning Saturday afternoon, so it is presumed that lightning struck during the thunderstorm Saturday morning. Fire trucks from both towns were on the scene and that with the rain kept it from burning to the ground, but every thing was ruined, the insurance company ruling it a total loss. It has only been two years since they remodeled, it is heart-breaking to see what fire can do, for only a few minor things can be salvaged.

There will be a shower at the Hanna Baptist Church, on the Anson and Hamlin highway, Friday night, May 6, for the Rainwaters. The public is invited to attend and help out with whatever a family that has lost their home can use.

To My Friends of Jones County

The doctors say I will never top 4 feet 2. At first, this thought left me rather blue. I am a dwarf and I won't grow, you see. True, I envy ones who will grow taller than me. But things I've learned set my heart aglow; Besides being tall, there are other ways I can grow.

I'll study hard, a good education I'll earn. For this world has much I can learn. It is mentally I must reach the top shelf; I will store up a world of mental wealth. Through studying and learning the more I'll know For it is mentally that I will grow.

I will go to church and seek my God, And in his fields I will trod. Although I'm small, for me He has a job. For him I'll work; no sad song I'll sob; I'll walk proudly as I earn my halo; In his love and grace I will grow.

I will take part in community affairs. And when I'm needed, I'll be there. A helping hand I'll willingly lend. As I take my place with taller men. Never will I let my height be a woe And in this way again I will grow.

I will pattern my life in such a way That I will grow in stature day by day. I'll be ambitious, honest, loyal, thoughtful and gay; I'll be considerate of others and open the way By greeting strangers and friends with the warmest glow. Even though I'll stay small, I will grow.

Area Farm and Ranch News

By Don Elmore

Don't forget the roping and barrel racing at the Riding Club arena this Sunday. If we don't get any more rain the arena should be dry enough.

Say, we got the address to order this rain, now would someone send us the address of where to stop it. One farmer said if he could have this much rain as he wanted it, he could make a good cotton crop on the rain we have had the last two weeks. I'm sure that is true. But anyway the whole area is sure wet and that is mighty good.

Grazing this summer should be good. It is expected that stocker cattle will be kind of scarce. From time to time this spring and summer the riding club will sell small bunches of the cross bred calves we are roping. Anyone interested in buying these calves can contact Billy McIlwain or myself and we will show them.

Junior High Track Set In Anson Today

The Junior High School District track meet will be held today (Thursday) at 1 p.m. in Anson.

Twenty boys from here and Coaches Grady Allen and Robert Brandon are planning to go.

Mr. and Mrs. Bill Dominey and Rodney attended Ranger Junior College Rodeo last week. Their son, Johnny, attends RJC. He and Rodney had planned to enter the rodeo but did not get to because of the rain. The Domineys also visited with the O. R. Criswells at Lake Leon and friends in DeLeon.

Primary Voting Saturday To Close Dull Campaign

A light state-wide vote is expected to raise voter interest Democratic Primary with spotted local and district races expected to raise voter interest in parts of the state.

In Jones county, the race between incumbent Omar Burleson and Eldon Mahon for Congress and Roy Arledge and Frank Calhoun seeking the State Representative seat now held by Arledge are the only two races expected to bring out any number of voters.

On the county level the only contested race is between D. E. "Temp" White and L. R. "Shorty" Winkels Jr. seeking the office of county treasurer now held by White.

Of interest to the people west of Hamlin is the Fisher County Precinct 2 race with Jerry Crowley being opposed for re-election by Frank Houghton and Frank Allen.

Fisher County voters in Precinct 2, Box 7, will vote at T P Camp. Mrs. Norman Carlton is election judge.

Mrs. Ned Moore Elected Head of B&PW Club Here

Mrs. Ned Moore was elected president of the Hamlin Business and Professional Women's Club at the Tuesday evening meeting in the home of Mrs. W. B. Britton.

Other officers elected were Mrs. L. R. Witt, first vice president; Mrs. Britton, second vice president; Miss Lennie Greenway, third vice president; Mrs. Earl Brown, recording secretary; and Mrs. Ruth Parker, treasurer.

The club voted to give a \$100 scholarship gift to a Hamlin High School graduate with the selection to be released later.

Frank Houghton Makes Statement In Precinct Race

Frank B. Houghton has authorized the Hamlin Herald to publish his formal statement as follows:

To the citizens of Precinct 2, Fisher County, Texas:

"During the last four months I have endeavored to visit with every citizen in Precinct 2 in regard to my candidacy for county commissioner.

"I am a candidate for this office because I feel that the citizens of my precinct desire and are entitled to a sound and economical county government. This should be a government that requires a minimum tax-load, and yet fulfills the needs of all the citizens of the county.

"In my opinion, my most responsible duty as county commissioner should be to oppose excessive and unnecessary expenditures that create a tax-burden that has not been justified by the citizens of the county by election.

"I will appreciate your vote on May 7th, and promise each voter that if I am elected, I will assure him of representation in his county government to the best of my knowledge and ability."

Frank B. Houghton

On the state level John Connally is being opposed for re-election as governor by Johnnie Mae Hackworth and Stanley Woods. Bill Hollowell is running against incumbent Preston Smith for Lieutenant Governor.

The only state-wide race to cause much interest pits Crawford Martin, Galloway Calhoun and Franklin Spears in a race for Attorney General. Waggoner Carr is being opposed by John R. Willoughby for the right to oppose John Tower this fall in the race for U. S. Senator.

Byron Tunnell is being opposed by P. S. Ervin and Paul Haring for re-election to the Railroad Commission and Fred Williams is opposing Jerry Sadler for Land Commissioner.

The other state-wide race sets John Onion against W. T. McDonald for McDonald's seat on the Court of Criminal Appeals.

Both Hamlin boxes will be open Saturday with the West box voting at the high school gym and the East box voting at the City Hall. Judges will be Miss Lennie Greenway, East box, and Tom Routh, West box.

The Republican primary is attracting very little interest this year with only one box open in the county. This is at Stamford.

Charity Bridge Tourney Set Here Saturday

The Hamlin Duplicate Bridge Club will host their annual Charity American Contract Bridge Session Saturday, May 7, at the High School Gymnasium. Sessions will begin at 1:30 and 7:30 p.m. with admission \$2.00 per person per session.

A buffet dinner will be served for \$1 per person. Everyone is invited.

In the regular Tuesday evening play at the Oil Mill Guest House, Mrs. Holly Toler and Mrs. G. W. Comegs were first; Mrs. Floyd Briscoe and Mrs. Harry Yates of Stamford second; and Mrs. Dale Lain and Mrs. Gene Knabel, third.

Jerry Crowley Makes Statement In Re-Election Bid

Jerry Crowley has issued the following statement to the voters of Precinct 2, Fisher County:

Boy, this place is quiet! Without the seniors around, things are not the same. The Seniors left Tuesday morning for a fun and educational tour of Texas. They boarded two chartered busses at the high school and left at noon. They will return sometime Saturday afternoon or evening.

Members of the faculty accompanying the seniors are Mrs. John D. Ferguson, Mrs. J. B. Jayroe, Mr. Milburn Wink, Mr. Harold Williams and Principal B. V. Newberry. Parents making the trip are Dr. and Mrs. M. L. Smith, Mrs. B. O. Bell, Mrs. Delbert Rountree and Mrs. Don Compton.

The band elected future officers Tuesday. Those selected were John Osbourn, president; Randy Smith, vice president; Pam Holtz, secretary; Vicki Newland, reporter. Mr. Jones told the officers that an organization can only be as strong as its leaders. All hope that the next year will be as enjoyable and successful as this year and more.

If a few groans are heard from the athletic girls, it may be because basketball spring training is beginning. Many muscles are being put into use after a few months of no exercise.

Tuesday, the seventh period tennis players were sweeping off the last traces of water after the long rainy spell. It is good to see the court again. It has been a long time.

Congratulations to the girls track team for doing so well at regional. Good Luck at State!

It was announced last Tuesday at the morning devotional that Joy Bond and Revonna Kay Robertson will be in charge of the weekly devotions next year.

One of the main end-of-schools events was the distribution of the '66 Piper Monday afternoon. All agreed that the outstanding edition was worth the long wait. The annual staff should be very

proud of the annual. They did a fine job. The staff is becoming. Through pictures of activities, organizations and classes, the annual showed ways that Hamlin students are becoming physically, emotionally, and mentally prepared for the future.

IN NEED OF Specialized HELP

The car's acting up... sometimes he can repair minor problems himself... but this time it looks like it may require the work of a specialist. To correct this problem he needs a mechanic, someone who has the knowledge and equipment for this particular work.

In spiritual matters, individual worship is necessary and vital to one's life, but God in his wisdom has said that we need to worship with others too. At church we can receive help from those who have dedicated their lives to special service for God.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

Something new and different in camping is being planned for May 12-14 at the Lueders Baptist Encampment, the Senior Adult Bible Camp. This camp is especially for people fifty years of age and up, particularly those who in the past have planned, promoted, and participated in the various camps held there each summer by the eight Baptist Associations supporting the encampment.

FAIRVIEW NEWS...

Mrs. Elmer Joiner
So much rain has fallen the past two weeks that it is hard to keep up with, but seven or eight inches have fallen in all. The rains have been general, everyone has had a good rain, in fact, the sun hasn't shone in four days. Sunday looked and felt like a winter day, coats and fires were the most popular items and it was the first day of May. At least the farmers can begin a crop with a good bottom season, won't take so much rain to make a crop this year.

Owing to the bad weather, the attendance was rather small both times Sunday, but we had two good services just the same. Is so good to have a pastor again after such a long time without one. Rev. and Mrs. Babb took dinner Sunday with the Fred Rosenbaums, doing some visiting Sunday afternoon.

Wedding bells rang out in our community Saturday evening. Penny Ford, daughter of Mr. and Mrs. H. L. Ford, and John Rackler, son of Mr. and Mrs. J. D. Rackler, of Anton, were United in marriage in the chapel of the First Baptist Church of Hamlin. They will live at Spanish Arms Apt. 115, North 6th in Abilene where she is employed at First National Bank and he is employed with Universal C. I. T.

The tri-church W. M. U. met last Wednesday morning in the home of Mrs. E. E. Hagler, with eleven members present, one of them being a new member. A good program on Family Witnessing was given. Four members were from Neinda, six from Fairview and one from Hanna. Mrs. R. M. Babb, wife of the new Fairview pastor, coming as a new member. She has been very active in the W. M. U. work in Fisher county and we welcome her to our group. The next meeting will be May 11th, when the Brotherhood, W. M. U., as well as the youth groups, will meet with the Hanna Church, at seven p. m.

Mr. and Mrs. Elmer Joiner took off in the rain early Thursday morning, for the lakeside at Breckenridge, to

spend the day with friends, Mr. and Mrs. Roy Taylor, of Muleshoe, who have a cabin on the lake at that place. Didn't get to see much of the lake since it rained all day and had to stay inside, however the Hubbard Creek Lake is getting bigger and bigger. The Taylors are friends of almost forty years standing and we were so sorry to find her in poor health, following a heart attack, which happened on Mothers Day of last year.

Melinda Wright came home with her grandparents, Saturday, to spend the weekend and attend the wedding Saturday night. She was also in church Sunday morning with Grandmother Holmes. She had an exciting experience Sunday, having broken a tooth, opening a bottle of paste in Sunday School, and had to go to the dentist that afternoon and have it pulled.

Sunday was the day for the family reunion at Seymour, that Mr. and Mrs. Henry attended every year. Since they have it in the park under open shelter, the rain and cold weather was too bad to have it. Mrs. Leonard Branch, of Aspermont, who is a niece of Mrs. Henry, invited her mother and her other two sisters, to spend the day with her. Besides Mrs. Henry the other ones are Mrs. Obie Wright, Rotan, and Mrs. Stuart, of Aspermont.

Mr. and Mrs. Willard Herrington and sons were Sunday guests of her parents, Mr. and Mrs. Joe Ford.

Mr. and Mrs. Jimmy Joiner took supper with his parents Saturday night. Jimmy is carpentering over near Rotan and got rained out Saturday, for the first time all week. Although it had rained all week over there they managed to find something to do, but owing to the wind and hard rain Saturday, they had to quit. The rains are always good for some folks and hard on others, but without them none of us would have any work to do, for our whole economy depends on if we receive rain or not, this being a farming country.

The home of Mr. and Mrs. Madgean Rainwater, who lived at Radium, was gutted by fire Saturday. The family was not at home, being gone to California, returning Saturday afternoon, so it is presumed that lightning struck during the thunderstorm Saturday morning. Fire trucks from both towns were on the scene and that with the rain kept it from burning to the ground, but every thing was ruined, the insurance company ruling it a total loss. It has only been two years since they remodeled, it is heart-breaking to see what fire can do, for only a few minor things can be salvaged.

There will be a shower at the Hanna Baptist Church, on the Anson and Hamlin highway, Friday night, May 6, for the Rainwaters. The public is invited to attend and help out with whatever a family that has lost their home can use.

To My Friends of Jones County

The doctors say I will never top 4 feet 2. At first, this thought left me rather blue. I am a dwarf and I won't grow, you see. True, I envy ones who will grow taller than me. But things I've learned set my heart aglow; Besides being tall, there are other ways I can grow.

I'll study hard, a good education I'll earn
For this world has much I can learn.
It is mentally I must reach the top shelf.
I will store up a world of mental wealth.
Through studying and learning the more I'll know
For it is mentally that I will grow.

I will go to church and seek my God,
And in his fields I will tread.
Although I'm small, for me He has a job.
For him I'll work; no sad song I'll sob;
I'll walk proudly as I earn my halo;
In his love and grace I will grow.

I will take part in community affairs;
And when I'm needed, I'll be there.
A helping hand I'll willingly lend
As I take my place with taller men.
Never will I let my height be a woe
And in this way again I will grow.

I will pattern my life in such a way
That I will grow in stature day by day.
I'll be ambitious, honest, loyal, thoughtful and gay;
I'll be considerate of others and open the way
By greeting strangers and friends with the warmest glow.
Even though I'll stay small, I will grow.
